

### Deadly Australian's Incursion

The Deadly Australian's team are hosting an incursion at Clovelli Park next Thursday (21st June). The team will bring with them live and preserved Australian animals to generate awareness of the species, and also the first aid steps required if injured. The cost is \$2.00 and parents and caregivers are welcome free of charge! Come along and share this experience with us.

### Refurbishment of Blue Unit

Some of you may have seen the fences up around the Blue unit. We are in the middle of a refurbishment of B1 and B2. We are adding a larger door way between the two classrooms, removing the old walls, painting and re carpeting. A great new space should emerge in the next 2- 3 weeks. This is hopefully the start of refurbishment of other rooms in the school. PAC along with staff will work through a process to determine which classes will be going into the 2 new rooms. The new teaching space will be much more open and modern making it a positive and comfortable learning environment for students. We will keep you posted as things progress.

### NEWS FROM THE LEADERSHIP TEAM

*Principal - Mike Clark, Deputy Principal - Richard Maynard, IELC Assistant Principal - Wahid Halimee, School Counsellor - Zoe Wecker*

From Mike:

It is with some sadness that I inform you that I have accepted the position of Principal at Karoonda Area School. My last official day at Clovelli Park will be on Friday the 22nd of June. I have made this decision for personal reasons only, as I would not have considered another school in the metropolitan area. I would like to thank the Governing Council, Staff, Parents/Guardians and Students of Clovelli Park PS for making my relatively short stay here as rewarding as it has been. Clovelli is very fortunate to have a great staff who are seeking to innovate and improve at every opportunity plus a cohort of sensational kids!!

In the interim Richard Maynard will be the Principal until new Principal has been selected and is able to commence. The position was advertised yesterday with the selection process expected to be concluded early next term.

Thankyou to all and best wishes for the future.  
- Mike

## Y2 & Y4 Zoo excursion

This term the Intensive English classes have been learning about Australian animals. During week 5 & 6 these students had a wonderful opportunity to visit the Adelaide Zoo and see the animals close up. They have learned how to write Recounts and Information Reports.

## Clovelly Soccer team

Clovelly Soccer team didn't play this long weekend, but played a pearler of a game on the 2<sup>nd</sup> June against a very confident St Johns Grammar. With 3 players down, Clovelly were down 2-0 (keeping Jet on his toes) in the first 20 minutes, only to score their first goal just before half time.

Clovelly came back stronger than ever with a strong defence line with George, Lachlan, Giona, Rony and Safa on the interchange. Our midfield, Osamah, Eric, Rita and Hadi, kept shutting down St Johns Grammar's attempts to get to our defence line. But with a great team effort of keeping the ball in the opposition's side, our attackers Mohamed (1), Griffin(2), Majed (2) and Ebahi (3) brought Clovelly to a final score of 8-2 Clovelly win!

Had to personally mention Ebahi's last kick for goals from a corner, backwards scissor fly kick! (eat your heart out Eddie Betts!) Special thanks to Aaron for fill in coach and running the line while I refereed.
