Phone: 8276 5366 OR Email: dl.0932_info@schools.sa.edu.au

A community school making a positive difference

NEWS FROM THE LEADERSHIP TEAM

Principal - Michael Clark, Deputy Principal - Richard Maynard, IELC Assistant Principal - Wahid Halimee, School Counsellor - Zoe Wecker

Last week was Reconciliation Week and Clovelli Park Primary School leadership firmly acknowledges the important responsibility we all have as Australians to work in collaboration with our Indigenous school community in reconciliation.

The need for a reconciled humanity is as important now as it has ever been. Recent horrific world events in Manchester, London Bridge, Iraq and many others remind us how important our role is as educators in providing a familiar, consistent, predictable, safe and supportive learning environment for all students in our care.

Our teachers and support staff, on a daily basis, model thoughtful and sensitive responses and behaviours to quite incomprehensible world events. They employ these key action strategies:

- They accept students as individuals and work in partnerships with their students.

- They model respect by listening attentively to students acknowledging and promoting diverse perspectives.

- They explicitly support and model democratic processes within their classrooms and the school community.

- They help students to eliminate language and actions that make others feel uncomfortable without bias or discrimination.

- They strategically plan and implement structures and processes to ensure positive social inclusion.

At Clovelli we believe that a learning environment which supports the wellbeing of students will affirm diversity, encourage inclusivity and promote harmony.

DIARY DATES

JUNE

- 9th Pupil Free Day
- 12th Queen's Birthday Public Holiday
- 30th Music is Fun Performance

Email: dl.0932_admin@schools.sa.edu.au

Website: www.clovellyps.sa.edu.au

SCHOOL CHOIR

Choir have had a really successful couple of weeks. Mrs Wood leads us in from fun warm ups (as you can see from the photo) and serious rehearsal. We performed "Into a Fantasy" at Assembly and Tahira (Y7) practised the solo for that song. She then went to a solo audition for the Festival.

Charlie (Y7) went for an audition to be a host of a Festival concert. They liked her so much that she was called back for a second audition.

Congratulations girls!

UKULELE GROUP

The special ukulele group were invited to perform at the Marion City council Citizenship Ceremony on Saturday June 3rd. They performed a number of songs with an Australian theme as guests were shown to their seats. It made it extra special that a student who used to be at our school was there as part of the ceremony.

SAPOL Visit

SAPOL will be at school Tuesday 13th June to give a session to selected students regarding cyber-safety and online bullying. One the senior constables from our Harmony Day BBQ will be attending. If you have any questions please contact the school.

G4 STUDENTS

In G4 Students have been discussing optimism. This is what the class groups came up with.

What is optimism?

Optimism means looking on the bright side

Not stressing about hard things

Thinking positive

What does optimism sound like?

"Look on the bright side!"

"Don't worry"

"Good work, keep going!"

"I'm going to look on the bright side!"

Kindness towards others and yourself

"I'm going to learn new things, even if they're hard!"

"Don't ever give up!"

"I can make new friends!"

"I can think positively!"

"You can do it!"

"Try your best and persevere!"

"I believe in myself!"

"Don't worry if you make a mistake!"

"I'm going to have a great day!"

Positive comments to people who are having trouble

Why is optimism important?

Being optimistic helps you:

-follow your goals and dreams

-make new friends and keep old friends

-be successful in life

-try new things

-learn from your mistakes, which builds confidence

-not to give up and progress

-succeed

-work hard

Improves your happiness and mental health

Improves and maintains positive self esteem

If you weren't optimistic you'd be sad and gloomy

Parking at School Drop off and pick up times

Please be aware where you park during school drop off / pick up times. Please do not park across driveways and read the parking signs in regards to parking. Do not park on any yellow line as these are no parking areas.

Care for children is always available

Winter can be a busy time for emergency departments and it is important to consider whether it really is an emergency.

For minor illness or injury, there are a range of care options to consider, including your local GP or pharmacy. Local health services, including information about after hours services, can be found through the National Health Services Directory at www.nhsd.com.au.

If it is an emergency, emergency care for children is available 24 hours a day, 7 days a week. Some conditions that are not life-threatening for an adult can be more serious for babies and young children. In particular, young babies with fever need to be assessed by a doctor. In an emergency or life threatening situation, always call triple zero (000) for an ambulance.

For more information, including emergency department locations and information about other care options, visit www.sahealth.sa.gov.au/careforchildren.

Lost Property

The school lost property box has accumulated a large array of assorted non-school clothing. If you wish to be reunited with a lost item please see Wendy Cove, Pastoral Care Worker, in the yellow Unit planning room.

Please note: **All non-school clothing and miscellaneous items not collected by the end of term will be donated to the Salvation Army Thrift Shop and Marion Good Gear Op-Shop**

Girls Football Clinic

On Tuesday 6th of June we were lucky enough to have 2 players from the Adelaide Crows women's team come and run a series of football Clinics for our upper primary girls. They ran through a number of relays, learnt how to kick the ball and do some bumps and tackles. It was so much fun!
