2017 Draws To A Close:
As the 2017 School Year swiftly
moves towards its' conclusion
Clovelly Park is a busy, busy place.
On Wednesday night we have our
end of year Community Night,
where children from all classes will
be part of a performance
highlighting music through time.
This should be a fantastic night so
I would urge you to come along and
see your child(ren) perform.

Facebook Page:
Many of you would be unaware but
we have started a new Clovelly
Park PS Facebook Page. If you
search in Face Book you will find
that our official page is the page
featuring a photo of our school
choir. Send Debbie a request and
you can use this page to help you
stay up to date with all school
events.

Staffing:
Congratulations to Richard
Maynard on his appointment to the
Position of Deputy Principal at
Clovelly Park for the next four
years. Richard has held this role in
an acting capacity for well over a
year now.

End of Year Early Dismissal:
Parents are reminded that Friday
the 15th is the last day of the
school year. Dismissal will be at
2pm.

Congratulations to Alice Wagstaff
-McCartan on her conversion to
being a permanent teacher at
Clovelly Park...very much deserved.
Congratulations to Belinda Bramley
on her 2018 appointment to Amata
Anangu School, her calm approach
will certainly be an asset to the
Amata school community.

Have a Safe Enjoyable Break.
For those children and their
families who are leaving us, we
wish you all the best with your
future schooling and life
thereafter.

We wish all students and families
a safe and enjoyable break and
look forward to seeing many of you
next year.

Currently we have a number of
question marks around our other
staffing due to positions in the
process of being filled.
Unfortunately I can not elaborate
further on what staff will be
returning for 2018 as that
information is still not available to
us.

Road Safety for Students - Smart Choices

When dropping kids off, ask your children to exit the car on to the footpath, not the road side.

Children should walk on the footpath, never along the gutter.

Cross at the pedestrian crossing or zebra crossings where cars expect children to cross.

Always look **left** then **right** then **left** again.

Wait for the cars to **STOP** before you step off the curb.

Young students should hold an adult's hand when crossing the road.

If you ride a bike to school along the footpath, and you approach people from behind, ring your bell to let them know you are behind them and they can then move to the left of the footpath and let you safely through.

Walk your bike across the road at the crossing. We want your precious children make it to class and home again safely!

Premiers Reading Challenge

There was lots of celebrating for the Premier's Reading Challenge this morning in our Assembly. Here's a few interesting 'firsts' that happened this year with the PRC.

For the first time, 92 students completed the PRC, earned their certificate and only 49 of them were Reception children. This means that students come in to our school from other countries and start the challenge as soon as they can. There were even 2 Year 7 students who started just this year.

For the first time, it was a three-way tie for winning "First to Finish" - Ebahi, Tahlia and Monique, and they all enjoyed spending their book vouchers.

For the first time, we had 7 students earning their 'Reader for Life' award. This means that they have completed the Challenge for 8 years—every year in their primary school time. This is a great display of our school value of Perseverance! So congratulations to Jordan H and Luke in Y1, Omar in Y6 and Jakzi, Niamh, Ashley and Thomas all in Y7.

But .. this year, also for the first time, we had a 'Reader For Life-Bronze' award to give out! What an amazing achievement and many congratulations to Charlie Jordan in Y7. Again, just what Perseverance looks like for the Premier's Reading Challenge.

I look forward to reading with you all again in 2018!

... Cheryl Josephs
