Dear Families,

Clovelly Park has a strong and proud history of celebrating Harmony Day. This year was no different! Harmony Day provides our community with an opportunity to reflect and celebrate our wonderfully diverse community.

Diversity enriches our lives and provides opportunities for learning and builds understanding and appreciation for both our similarities and our differences.

We promote respect and harmony every day by living the Golden Rule- To treat others as we would like them to treat you.

When speaking at our Harmony day assembly, I chose to use some Maori language "Kia Kaha" as these words are used to encourage strength and confidence.

As people we have many more similarities than differences -some say we are "same same but different"

I reinforced one of the messages of Harmony day which continues to be together we are stronger.

We continually respect and celebrate our vibrant community - as every day is Harmony day at Clovelly Park.

As we celebrated Harmony Day on Wednesday, I was grateful for the opportunity to both acknowledge and celebrate our wonderful, vibrant diverse community as we joined together to celebrate each other and the wealth that our diversity brings to our relationships.

As a symbol of our mutual respect and to celebrate our circle of friendship and care, I invited adults who attended the assembly and shared morning tea to light a candle and reflect on the good in the world and our hope and commitment to create a world full of love and peace.

Regards,

Terena Pope

Harmony Day 2019

Harmony Day is about diversity, and being proud of our culture and religion and the place we are from. It was lovely to see so many students and parents participating in our activities and wearing their cultural clothes or orange clothing for Harmony Day.

Harmony Day brings people together, and helps people make new friendships and learn about others' cultures.

At assembly we had many students walk around with flags from different countries. Afterwards we had G3 and R1 do a traditional dance from Bangladesh and our choir sang the national anthem for us, and we all sang along. We also had Mrs. Pope come up and talk to us about what Harmony Day means. In Y6, Mr. Lay and a few students had been working on a video about what Harmony Day means to the students and Clovelly Park, and this video was presented at assembly.

After assembly, the students went off to different classes to participate in various activities, including cooking, pottery, learning about other cultures, arts and crafts.

Bike Ed

Bike Ed was enjoyed by students in classes G4 and Y5 this term and was enjoyed by all who participated.

Ukulele Club

On Sunday 17th March the Ukulele Club performed our school song and Waltzing Matilda at the Holi Festival at Mitchell Park Reserve on Bradley Grove.

It was very hot and we had to wait a long time for the organisers to start the entertainment but the children (and their families) were very patient. It was a great opportunity to show our school off to the local community, and the students did a great job!

Hatties Hens

Hatties hens are back for 2019 and the ladies are happy to be home at Clovelly Park Primary School. This year, the R2 Ministers for the Environment will have the responsibility of looking after the hens and collecting the eggs.

This term our Ministers are Vincent and Paula, their responsibilities include:

Collect, date and pack the eggs into recycled cartons.

- Feed the chickens
- Ensure the chickens have clean water
- Make sure the coop is clean
- Lock the coop after school to keep pests out.
- Report any problems to the teachers

The students have enjoyed cooking with the eggs from the hens and the other produce we have harvested from the garden. We look forward to keeping everyone updated about the chickens and the garden.

Lost property

Ever put things in a safe place and then forget where that safe place is?? It might be the gym! Please check the lost property box in the gym for any of your misplaced items as it's starting to get quite a collection.
