Book Club

Book Club

Dear families,

The best gift any parent can give a child is the love of books and the joy and benefits of independent reading for fun. Children who read at home, or are read to, have a head start on reading success in school.

Our class is participating in Scholastic Book Club this year. Up to twice a term, during the school year, I will send home the Book Club catalogue with a different selection of books offered for all ages.

You'll find award-winning books and bestsellers, as well as old and new favourites. I recommend them because the books span a wide range of children's reading levels and interests and are inexpensive (some books cost as little as \$2).

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books will be delivered to class. You can place your child's order at scholastic.com.au/loop or by using the LOOP app, which can be downloaded from the App Store or Google Play.

Owning your own books is something special! I hope that you will encourage your child to order books this year. Each order helps earn free books and teaching materials for our classroom, however there is never any obligation to order. I know of no better way to encourage reading than to allow children to choose the books they want to read.

Buy a book from **SCHOLASTIC Book Club** to help build our classroom resources

Springbank Open Day

Open Day
Wednesday 25 March 2020

Acquaintance night

We had a very positive response to our Acquaintance Night on 18th February, with families familiarizing themselves with our learning areas and teachers.

Chickens

Love chickens? In Y6 and G1 we are incubating 13 eggs from a farm in McLaren Vale. You are welcome to come and ask the students questions about what they are doing and what they expect to happen with the eggs. We will hand raise the chicks in a special brooder cage and then they will go out in the henhouse in Hattie's Garden with the other hens. Hattie's Garden is adjacent to the carpark and it is where some students have lessons and enjoy growing many things. The chicks will hatch on Monday and Tuesday of week 9.

Community Night

Community Night is on Wednesday 8th April. Please put this in your calendar so you don't miss this night! Hotdogs, Boost drinks and coffee will be available for purchase from 5pm.

Community Night

Play, Learn and Grow Together

Social Work Students

This year the school is lucky enough to have 6 social work students supporting our site. You may have already seen them out and about in the yard during drop and pick up times. Alicia, Elise, Maryam, Ji In, Raman and Georgie have already made a great impact getting into classes and building relationships with the students. Please make them feel welcome and say hello when you see them in the yard.

Raman

Hello, my name is Raman. I am a Uni SA student doing a Bachelor of Social Science. I am a mother of two children, one is 8 and one is 2. I also work in child care as an educator. I enjoy listening to music and art and I am here at Clovelly Primary School on my placement.

Maryam

My name is Maryam and I am studying a Bachelor of Social Work at Flinders University. I come from Iran. I am interested in cooking, dancing and watching movies in my spare time. I usually go walking when I want quiet time. I'd like to have a dog as a pet. I am a reliable, trustworthy person who has a genuine passion to work with children and support them. I am so grateful for being at Clovelly Park Primary School. I am sure that we will have a wonderful time.

Alicia

My name is Alicia Xia, and I just joined Clovelly Park Primary School as a social work student. I am currently studying a Masters of Social Work at Flinders University and I majored in English Education in China. I'm honoured to

big family and I hope to meet and become friends with many of you. My favourite colour is pink and my favourite sport is table tennis. I'm also into Disney movies and Japanese Cartoon One Piece. In the following school terms, I want to cooperate with teachers, staff members and colleagues to help promote children's development and wellbeing. Please stop by and have a chat with me in G5.

Ji In

I am Ji In Jung and I am a Master of Social Work student from Flinders University. My favourite colour is blue and favourite fruit is blueberry. When I feel blue, I watch K-pop music videos and play Sudoku. I like dinosaurs and animals, so I like to go to the museum and the zoo. I am very glad to do my placement at Clovelly Park Primary School. I look forward to working with students and staff who are wonderful. Don't be surprised when I say hello to you!

Georgie

My name is Georgie, I am here on social work placement from Uni SA for term 1 and 2. I have two young sons and I love hot summer days. I feel calm when I go to the beach. My favourite place is Edinburgh, Scotland. Once upon a time I was an actor! In another life I would be a ballerina! I'm really looking forward to getting to know this wonderfully diverse community and working together with staff and students to achieve great things!

Lunchtime Tennis Club

We currently have lunchtime tennis in the gym on Mondays by Just N2 Tennis. Call Justin on 0415 289 733 if interested.

Buddy Bench

The Play is the Way Golden Rule – Treat others as you would like them to treat you – is being supported by our new Buddy Bench. The Buddy Bench is a place where students can sit to seek support, friendship or simply just to take a rest. We acknowledge and thank the Rotary Club of Edwardstown for the brightly coloured bench.

Community Garden

Many thanks to our Community Gardener, Bill, who spends countless hours volunteering in the garden and around the school. The children love to visit the garden and see the variety of fruits and vegetables growing!

HARMONY DAY 21 March

This year our school will celebrate Harmony Day on Friday 20 March as the 21st is a Saturday.

The Planning group are currently busy finalising our plans for the day.

As the signature colour is Orange we encourage students (and adults) to dress in traditional clothing representative of their cultural background or Orange clothes. As we know it can be difficult to find orange t-shirts, this year we are running lunchtime activities to tie dye t-shirts.

Students can bring a plain white t-shirt to school and they will be supported to tie dye it orange. We will send out details shortly.

We are also asking families to bring a plate of food to share and join us for a shared Morning Tea on Friday 20 March. Details will follow in a separate letter.

We will be asking students and families to complete the statement Harmony is... as part of our celebrations.

We look forward to you joining us to celebrate our fabulous diversity on this special day.
