Dot Art—Y4

As part of celebrating Reconciliation Week. We talked about how the indigenous people of Australia did dot painting to tell stories. This is the first time Y4 have done dot painting. It was a bit challenging but we tried our best!

Donated books—thank you!

The library has been lucky enough to have received some books this term!

A **massive thank you** to the parents who have donated well looked after books to the library this year. The popular titles are very appreciated by the students.

Sports News

NEWS FROM THE LEADERSHIP TEAM

Principal - Mike Clark, Deputy Principal - Richard Maynard, IELC Assistant Principal - Wahid Halimee, School Counsellor - Zoe Wecker

Pupil Free Day Next Friday

Next **Friday** the **8th of June** will be our second **pupil free day** for the year. This day will be spent by our staff up-skilling, with a number of sessions planned to facilitate this. These activities will cover a range of topics from 'Spelling' to 'Musical Instruments'. All sessions are designed to provide opportunities for staff to improve their skills to facilitate improved learning outcomes for your child(ren).

Parking

Parking continues to be an issue around the school grounds particularly in the 2.45-3.10pm time slots.

Please be mindful of local residents and the access they have to their property but also more importantly for the safety of our children. There is a 25 km per hour speed limit around the school please adhere to it and when crossing the road ensure that this is done at the designated pedestrian crossings.

Student Absences

Please remember to call the school in the mornings, to let us know if your child is sick or not attending for any other reason. This needs to be done on a daily basis to enable us to know when your children are safely at school or not.

Virtual Reality

Some students from Y5, Y6 & Y7 had a Virtual Reality incursion that gave them some ideas on how to deal with bullying situations. It enabled students to see that being a positive or negative bystander can have a huge effect on bullying situations. We all have the power to have a positive impact on those around us.

Our rabbit, Joy!

Joy is our rabbit visiting Class R1. Joy hops around our class and helps us learn. Joy is visiting for 2 weeks. She is cute and pretty. She's a darling! She is soft and cuddly. She eats carrots and corn and has long ears. We are learning lots of different facts about rabbits!

Illawonga Camp

Year 6 and 7 students have their camp in Illawonga coming up. They are really looking forward to the activities. They will enjoy

some free time at camp as well as do some cave exploring, fossil identifying, boating as well as work on some very important self-care skills. If your child is attending, please make payment arrangements at the office this week.

Deadly Australian's Incursion

The Deadly Australian's team are hosting an incursion at Clovelly Park in Week 8 (21st June). The team will bring with them live and preserved Australian animals to generate awareness of the species, and also the first aid steps required if injured. The cost is \$2.00 and parents and caregivers are welcome free of charge! Come along and share this experience with us.

Nexus Music

Nexus Arts musician Julian Ferraretto (Violin) came to our school on May 29th and brought with him some musicians: Abdul Nanou - violin, Manadi Angel Lopa - singing, guitar and drums, Anna Gabriela De Oliveira Andrade - singing and guitar, Fabian Hevia - percussion and Zhao Liang - Chinese harp.

They ran a workshop with G1 and one with G4 teaching the children how to improvise music and showing their skills and instruments. Then they performed an interactive concert for R1, Y4 and G6 and we invited Mitchell Park Kindy to join us.

It was a fabulous day as we learnt a lot. We are excited to have Fabian come back later in the term to work on percussion workshops with some more of our students!
