

Environmental Hints

G2's Environmental Hints

Turn off tap every time you brush your teeth.
You will be saving eighteen glasses of water.

Use both sides of paper and then recycle it. If everybody did this, it would greatly reduce the number of trees we use to make paper.

Unplug electrical appliances when not using them. Many electrical appliances use energy even when they are turned off.

We can reuse lots of things before we throw them away. Make something with boxes etc. before you throw them away.

Walk to school. Avoiding car trips saves petrol and cuts down on air pollution.

Sort your waste for recycling. It takes much less energy to recycle something than to replace it with something new.

Think before you buy food that is wrapped in plastic.

Use a bin that does not require a bin liner.

Keeping Children Safe

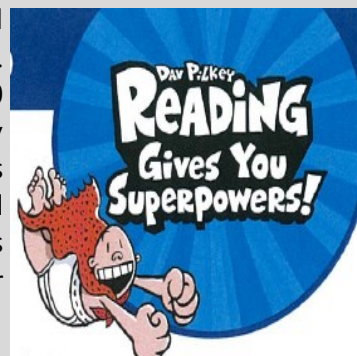

We are helping keep children safe through new screening laws. Stronger, more effective and transparent screening laws for people working or volunteering with children have been introduced in South Australia. The new screening laws were recommended as part of federal and South Australian royal commissions, to help keep children safe in our communities. The new laws mean that from 1 July 2019 everyone working or volunteering with children must have a valid child-related check. Also changing from 1 July 2019 is the state's current system for child-related employment screenings, which will be replaced with a working with children check (WWCC).

This new check is coming in to better protect your children and make sure that people working or volunteering with children are suitable. It does this through a monitored and more robust assessment of a person's eligibility to work or volunteer with children. Because the check is monitored, immediate action can be taken if a person is charged with a concerning offence. The new check covers off on a person's national criminal history including all spent convictions, pending and non-conviction charges, and other disciplinary and child protection information. A WWCC is valid for five years and is portable across roles and organisations throughout South Australia. Current, valid child-related employment screening checks done by DHS/DCSI will be recognised as a WWCC until they expire. There is also a 12 month transition period for anyone with a National Police Certificate assessed by their organisation, with the certificate valid till 1 July 2020. For most people, this means they don't need to do anything to be ready for the new law starting on 1 July 2019.

Book Club

Book Club catalogues (issue #4) are here this week. Let's get reading! Reading for even 10 minutes a day exposes your child to more than 600,000 words in a year! The benefit of this word exposure is immense—research shows us that reading more improves a child's performance in general knowledge, vocabulary, reading comprehension, verbal fluency and spelling. Reading for even just 10 minutes each day improves your child's academic success, and improves your child's empathy and his/her emotional intelligence!

LEADERSHIP TEAM MEMBERS

Principal -Terena Pope, Deputy Principal – Richard Maynard

IELC Assistant Principal - Wahid Halimee, Wellbeing Leader - Kylie Tuckey

Dear Families,

We hope that you are all managing to keep warm in this significantly cooler weather. As we are settling into winter, we remind you of the Dress Code expectations for the colder weather. All children are expected to be warmly dressed and in the school colours: navy, or maroon for this year only if you are yet to purchase the new uniform. The Uniform Shop is open 9.00am-9.30am Tuesday-Friday. We encourage a high standard of appearance and neatness within the school, and all children are expected to wear the uniform for all school activities unless specified otherwise.

Governing Council have recently agreed to add another item that will be available through our Uniform shop. The item is a navy zipped polar fleece jacket—we will let you know when it is available for purchase. A rain type jacket is also being considered for inclusion as a Uniform option.

As you will see by the attendance rate from last week of 88%, there are a number of students who are unwell. A reminder to please keep your child home if they are unwell as this will help to minimise the spread of viruses to others.

Whilst we are not quite half way through the school year, we have begun some initial planning for the 2020 school year. As part of this planning, we are offering a range of opportunities to tour our school for families who are considering schooling for next year.

The dates are included on the poster. If you know of any families who have pre school children and are considering schools for next year, please encourage them to book into a tour. We hope you enjoy the long weekend and that it provides you with the opportunity to spend some time with family and friends.

Regards,

Terena

Clovelly Park Primary School Principal Tours 2019

"A community school making a positive difference"

Taking Enrolment Enquires for 2019/2020
Principal's Tours

Come and meet the Principal and Leadership Team members, tour our school and participate in a question and answer session.

Term 2:
4.30pm Thursday 30th May & 10am Friday 28th June

Term 3:
9.15am Tuesday 13th August & 4.30pm Wednesday 18th September

Term 4:
9.15am Friday 25th October & 4.30pm Wednesday 13th November

We are looking forward to welcoming you into our school community.

Clovelly Park Primary School 2019

A diverse school incorporating mainstream, special education classes and Intensive English Language classes.

To register your attendance or for more information contact the school on

phone: 8276 5366
email: dl.0932.admin@schools.sa.edu.au
website: https://www.clovellyps.sa.edu.au/
Address: 1 Renown Place, Clovelly Park SA
or scan QR code above to get Google Map directions to your phone

ATTENDANCE TARGET 95%

Our average attendance for the year is 90%.

Term 2 Week 5 88%.

DIARY DATES

JUNE

7th Assembly 9.15am
10th Public Holiday—Queen's Birthday
20th Refugee Day
28th Assembly 9.15am

JULY

3rd Music is Fun
5th Last day of Term 2
- Early dismissal 2pm

SCHOOL CARD

Applications available from the school office. Please contact us and we can send home an application with your child. If you have any queries regarding the forms please call or come into the front office and we can help you.

PAYMENTS

Please remember EFTPOS payments can be made over the phone to either Tracey or Chris eg OSHC, school fees, excursions

OSHC

Director: Jo Battersby 0418 585 142

Before school care: 7am-8.30am

After school care: 3pm-6pm

Vac Care/Pupil Free Days: 7am-6pm

CLOVELLY DELI

Tuesday to Friday - Recess and lunch
Children must order lunch from their classroom in the morning. If you have a current police check and would like to help in the canteen, please speak to Jo, our canteen manager.

UNIFORM SHOP

Tuesday to Friday 9am—9.30am

1 Renown Place, Clovelly Park SA 5042

Phone: (08) 8276 5366

Fax: (08) 8374 3301

Email: dl.0932_admin@schools.sa.edu.au

Website: www.clovellyps.sa.edu.au

Cricket

The South Australian Cricket Association are providing us with four free after school sessions for our students of all ages, starting next Friday at 3.10 -4.10pm. Whilst the sessions will be teacher supervised, we highly encourage parent/carer support/attendance. Students are to be promptly collected at 4.10pm, or they will need to go to OSHC.

Sessions are as follows:

Friday June 14th 3.10pm – 4.10pm (Week 7)

Friday June 21st 3.10pm – 4.10pm (Week 8)

Friday June 28th 3.10pm – 4.10pm (Week 9)

Friday July 5th 11.50am – 12.40pm (Last day Term 2)

The intention behind the sessions is to increase student interest and understanding of the sport whilst also making connections to local clubs should cricket be something you and your child are looking for.

Parliament House

Y6 & Y7 visited Parliament House last week, where they learnt about the operations and processes of South Australian politics.

'Y7 and Y6 went to Parliament House. Both classes travelled by train to the Adelaide Train Station. The 2 activities we did were a tour of Parliament House and we also walked around Rundle Mall. The most fun part was when we got to do a debate in the House of Representatives (also know as the Lower House.) Y6 debated about if homework should be banned and Y7 debated if schools need more funding or not. After that, we got to see the Legislative Council (the Upper House.)' - Alex (Y7)

Market Day

Market Day - Y7

When: 12.50pm - start of lunch
Friday, 28th June 2019

Where: Outside by the door to Technology

What: food, slime, stress toys and more.

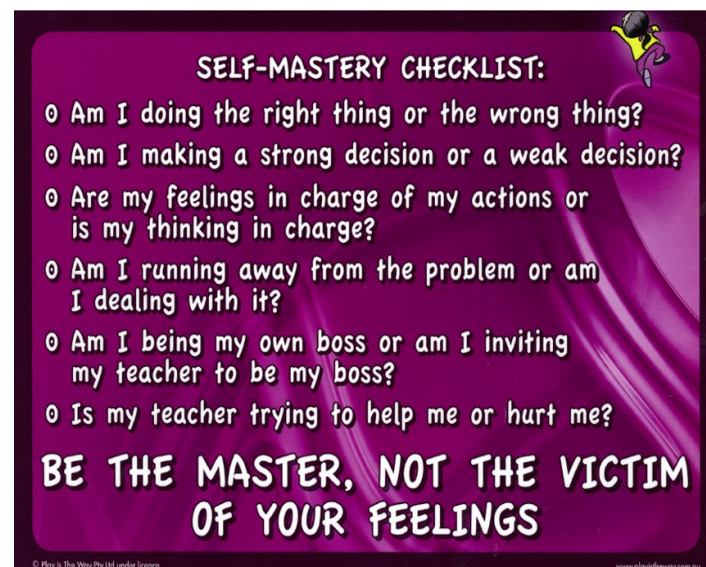

Keep your eyes out for more information around the school. All profits will be donated to our school.

Play is the Way

'Be the master, not the victim of your feelings' is the main message from the purple poster. Questions are given to prompt children to think about their responsibility with regards to their thoughts and actions.

Play is the Way philosophy was written to empower students with the social and emotional awareness, language and understanding, so that they undertake the actions of a person who is empathetic, friendly, courageous, resilient and compassionate. Everyone within the school is using this language and these questions within our school community. We consider students, teachers and parents to be community members - we would love for you to join us on the journey to embedding the Play is the Way language in our every day thinking and communication with others! Ask your children the questions on the purple poster to help them practice. What an amazing Team we will be! Go Clovelly Park Primary School! Thank you for your support.

Also remember the Golden Rule - 'Treat others as you would like them to treat you'

STEM Aboriginal Student

On Monday and Tuesday 27th and 28th of May, during Reconciliation Week, six Aboriginal students went to the STEM Aboriginal Student Congress at the Convention Centre in the city.

On Monday, we were welcomed by Uncle Moogie and we saw some dancers. Then we did 3 activities. The first was Starlab. We went in an inflatable dome and we learnt about our solar system and further into space. After that we had an activity where we learnt about dimensions of space; one dimension, two dimensions, three dimensions and even 4 dimensions. After that we listened to Uncle Frank tell us about his life. We learnt about how he was taken from his mum and dad and had to live with other families. He also told us about how he was showing respect to the Aboriginal soldiers who fought in the First World War, Second World War and Vietnam. He told us how he has travelled to many different places in the world.

On Tuesday, we had an activity where we learnt about maths in music. A music specialist, Hannah, told us about how music helps our brains make connections for all sorts of learning. The last activity we did was about tracing our history through DNA. They took hair samples from Aboriginal people in many places around Australia around 100 years ago. They are hoping to help people from the Stolen Generation find out where they come from by matching their hair sample DNA. We went into the SA Library archives and some of us found information about our families. We went into a Science laboratory, where we put on suits and practised using digital pipettes.

At the end of the Congress we all said goodbye with Uncle Moogie. We also listened to a hip hop artist who sang the story of his life. We saw a great animation on two of the entire walls of the Convention Centre. We all had a fun time! We'd love to go again next year!
