NEWS FROM THE LEADERSHIP TEAM

Principal - Richard Maynard, Deputy Principal - Zoe Wecker
IELC Assistant Principal - Wahid Halimee

Week 3 Term 3

Congratulations to Jess Smith on winning the role as Wellbeing Leader for the next 2 terms and Sonia Leleisuaio who will replace Jess as our PE teacher.

Governing Council has approved the change of uniform colour to Navy Blue. We are now in the process of looking at what style of uniforms and prices. This change of uniform will be implemented over an 18 month period. Once the style of the uniform has been decided we will provide the community with all the required information.

Sadly, it's Goodbye to Geoff! Geoff has taken the opportunity to move onto a fulltime role elsewhere, and we wish him all the best for the future.

David, our groundsperson, has made a good start. The school is already looking better with the work he has put in. We are really pleased that he is taking pride in our school grounds and look forward to whatever else he is able to get done.

On Tuesday 7th August I attended a Marion Inland Partnership review where I had to talk to a panel about what we are doing in our partnership and in our schools. Overall it was a good review with Anne Millard and Susan Cameron, Executive Directors of Education providing positive comments on how well our partnership is going

and how supportive and innovative our individual schools were.

The next Pupil Free Day is coming up on Monday, 3rd September. Staff will be participating in either teaching oral language to IELC students or continuing to work with Vei Li Soo on problem solving strategies. Don't forget there is also a school closure day on the Friday 31st August.

Another reminder to please use the pathway into the school in the morning and afternoons when dropping off or picking up your children and to *not walk through the gates* where the cars are coming and going.

people's choice COMMUNITY LOTTERY

The People's Choice Community Lottery is nearing the close date.

If you have a ticket book that has been sold, could you please bring it into the office as soon as possible? If you are holding onto a book with unsold tickets and you feel you won't be able to sell them, can you please also bring the book back? Thanks. All tickets sold are much appreciated.

Clovelly Park Science Week

national science week 11-19 August 2018

Science Week—16th August

Don't miss out on Clovelly Park Science Week! Come along and join the fun of our Science exhibition! Students will lead the exhibition showcasing many experiments that you can later try at home. Held in the gym, the exhibition will start with Robotics at 9:50am hosted by Y5. Different classes will showcase various experiments through the day.

Wakakirri Performance this week!

The Wakakirri performance will be on Tuesday 14th August. If you wish to buy a DVD of the performance, please order these through the front office prior to 20th August. The price of the DVD is \$39.50.

Mars Mission!

In July, 6 students from Y7 & Y6 were invited to Hamilton Secondary College to take part in a Mars Mission at the space school! They met Chief Executive, Rick Persse from the Department for Education. Our students joined together with Hamilton students where three were in Mission control and three were 'on the surface'.

They were astronauts testing and exploring the surface of Mars!

The same group returned last week to do the opposite role of the mission when the Minister for Education, John Gardner MP, was there.

- *"it was fun, exciting and educational."* - Griffin
- *"I was being a chemist, finding rocks to see if there was radioactivity."* - Michael
- *"it was fun! I found being in mission control challenging when we used the computers and talked to the people on the surface."* - Hannah
- *"it was entertaining. I also found that it felt like we were actually in Mars!"* - Safa
- *"the Mars surface looked almost real."* - Kyah
- *"the program was very innovative and intuitive. I loved it because of the life-like experience it gave us."* - Ebahi

Street Smart Visit

On Thursday the students from R-3 had a visit from the RAA Road safety school.

We learnt:

STOP LOOK LISTEN & THINK before crossing the road.

"Look right, look left and look right again" before crossing the road.

Young people should be in a booster seat until they are 145cm tall.

Always wear a seatbelt when in a vehicle that has them.

**LOOK RIGHT .. LOOK LEFT
... LOOK RIGHT AGAIN ..
BEFORE CROSSING THE
ROAD!**
