2ND - 12TH OCTOBER 2018
PHONE: 8276 5366 MOBILE: 0418 585 142

The next school holidays are fast approaching! Our Vacation Care service offers a range of supervised recreational activities which encourage children to interact with friends, learn life skills, problem solve and be challenged by new experiences in a safe and relaxed environment.

Program

Regular activities will also be available every day. These include pool table, outside play (depending on weather), play station/computer, arts and crafts, and drama. There is also an excursion to go watch the Dolphins at Port Adelaide.

Please see over for the daily program.

Times

Vacation Care is open from 7.00am to 6.00pm. On excursion days, children must be at the centre no later than 8.30am. All staff will be on duty at the excursion so the centre will be closed during this time. Risk assessment for the excursion is available at the service for parents to view.

Fees

The full fee for each day is \$47.00 (less for families with Child Care Subsidy). Families will be charged for days that their child/children are booked in but do not attend. A late fee of \$2.00 per minute per child after 6.00pm also applies. Bookings are required to be made by Friday 21ST September so that appropriate staffing levels can be arranged.

TO ENSURE YOUR PLACE WE REQUEST THAT EITHER FULL FEE

OR A PORTION OF THE FEE IS PAID PRIOR TO THE START OF VACATION CARE.

BOOK EARLY TO AVOID DISAPPOINTMENT!

Hot / Wet Weather

Some activities may need to be modified or rescheduled in extreme weather conditions eg if it is raining or the predicted maximum temperature is 36°C or over. We will endeavour to inform families if there is a change in the program. **ALL CHILDREN ARE REQUIRED TO WEAR APPROPRIATE SUN SMART HATS AND CLOTHING WHEN OUTSIDE THESE HOLIDAYS.**

Food

The service provides a morning and afternoon snack. Children will need to bring their own lunch less stated otherwise (NOT cup noodles) and extra snacks for throughout the day.

Drinking water will be provided but it is also recommended that the children bring their own drink bottle that can be topped up.

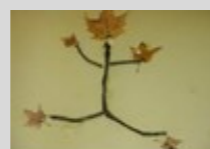

VACATION CARE IS A NUT / KIWI FRUIT FREE ZONE AS WE HAVE CHILDREN ATTENDING WITH ALLERGIES TO BOTH.

Principals Report

A big well done to the Year 6/7's for their great work at the Science fair last Thursday. Everybody looked excited and engaged. A big thank you to Keryn, Sonia, Leanne, Sophie, Kelly and Harry for supporting Martin during Science Week. An even bigger thank you to Martin for the interesting experiments and enthusiastic presentations. A fantastic effort overall and a big boost for Science.

Year 7s to high school update

You may have heard that South Australian year 7 public school students will be taught in high school from Term 1, 2022. The following information has been released by the task force formed to assist in this transition:

• There will be no change to for year 7s in 2019.

• Consideration is being given as to our approach in 2020 and 2021

• More information around timing will be provided by the end of 2018

Head Lice

Unfortunately it is that time of the year where Head Lice seem to be very prevalent. It is important that if you detect any head lice that you treat them immediately and inform the school.

Education Department regulations state that all head lice and /or live

eggs must be treated before your child can return to school.

Treatment

The hair needs to be treated with head lice shampoo and a fine tooth comb.

Combs, brushes, hair ties and hats should be cleaned with detergent and hot water.

Bed linen should be washed in hot water (60 degrees or more), or dried in a clothes dryer on the hot setting for at least 20 minutes.

Check all members of the household at the same time and treat if head lice or eggs are found.

You must treat your child's hair again after 7 to 10 days because lice in unhatched eggs may not be killed by the first treatment.

Please read the brochure included in this newsletter.

Multicultural Mural Project

Our Multicultural Mural Project has now been completed and is up on display in our school. Come and take a look. It represents the diversity within our school that we are very proud of. Our diversity is our strength.

Our students come from many different places in the world. The pickets in the mural are painted with

different national costumes. See if you can find the country of your origin. We have tried to represent as many nationalities as we can in the mural.

There are over 50 nationalities at any given time at our school, this changes from year to year. The Kurna Aboriginal picket, represents the original inhabitants of Adelaide, this one along with all of the other pickets represent different cultures who have come to our community to make it the strong vibrant community it is today.

They are pickets of a fence, they represent the idea that even though we may be different, standing together we create strength and unity. Many of our community members have come to Adelaide after being fenced in or fenced out from their country of origin and have left there to start a new and better life. This is a new, connected, happy fence for them here at Clovelly Park Primary.

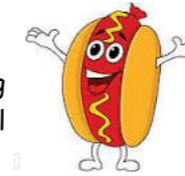

Thank you to all of the people in our school community who contributed, parents, staff and students and thank you to the Marion Community Grant for supporting the project, both in approving the concept and financing the project.
