Term 3 Week 9

Principals Report

Swimming:

Swimming went very well last week and students learnt basic swimming skills and water safety. The week ran very smoothly and it looked like they all enjoyed themselves.

Music is Fun:

A great performance was had on Wednesday with lots of singing and dancing. Thanks to Miss Debbie for organising it.

NAPLAN Results:

Students will bring home their NAPLAN results this week. Please make sure you receive them and read through them. If there are any questions please chat to the class teachers. I am sure they will be able to help.

Teacher Training Vei Li Soo:

Our staff are again lucky to get some further training on problem solving strategies from Vei Li. She has continued to work with teachers and with students. Students are becoming more confident in problem solving because they have been given some new and different strategies to work problems out.

- Richard Maynard

Road Safety

After the Road Safety visit, G1 & G2 have been learning about Road Safety. We went on a Road Safety walk on Friday 7th September. We practiced what we had learnt about being safe when we are pedestrians. We looked at signs in the streets surrounding the school. We practiced crossing the train tracks safely (Mr Reiter & Mrs Brooke timed our walk perfectly so we practiced being safe while a train went past). Then we looked at the safe places to cross when we are coming to and from school. In small groups we practiced crossing at the school crossing on Renown Ave. Lastly we practiced walking along the zebra crossing in our school car park.

The secret life of teenage girls

Are you the parent of a teen or pre-teen girl? Come and join us or watch our live webcast.

Dr Justin Coulson, nationally recognised parenting speaker and author will talk about:

- what it's like to be a girl in today's world
- things girls worry about, how to support them and give them hope
- how to stay connected with your daughter when it seems she doesn't want to
- what this means for raising boys.

Tuesday 6 November
When: 7.00 - 9.00pm
Where: City Rooms
Adelaide Convention Centre
North Terrace, Adelaide

Register to attend in person or view the live webcast at:

This seminar is designed for an adult audience.

Helping parents be their best

Swimming - Reception to Year 5

Students from Reception to Year 5 went swimming at Westminster Pool last week. They learnt valuable water skills and had a huge amount of fun!

Music is Fun!

Many students joined in with our 'Music is Fun' program this week and enjoyed a wonderful musical experience!

"First we went in to practise, then everybody came in and we started to dance. I played a percussion instrument with the band. Everybody danced. My favourite part was the piano."

- Haya G5

"I like the band and I like performances. I am so happy and I had a good day."

- Tamanna G5

"On 19th September we saw the music is fun band. It was my first time and my favourite part was "Let's get loud."

- Tuleen G3

"My favourite part was when they did Fortnite dances."

- Keeley G3

"I liked the bit when Tuleen, Bella, Tahmid and Josh danced for Walk the Dinosaur."

- Cazel G3

SA Cricket

The students enjoyed a fun presentation from Cricket SA this week. Thank you to Play Cricket for showing Clovelly Park students skills needed to play cricket. It was an enjoyable day for all students involved. If your child is interested in playing cricket, please see Sonia Lelesiua.

Staff vs Student Soccer Match

The students challenged staff members to a lunchtime soccer match on Wednesday. A fun time was had, resulting in a 2-2 draw!

Lost items from Swimming Week

We still have many lost items from Swimming Week. Could you please check in the Red Unit (wet area) and collect any clothes or equipment which belong to your children?

STEMSEL Team Competition

The four students who took part in the STEMSEL show competition won 2nd prize for their STEMSEL creation of a bird scarer. A huge achievement for the school as it is the first time we have taken part in any sort of competition like this, especially going against a lot of other schools who have experience in the competition.
