## Resource Centre re-opened!

It is with great pleasure and excitement that we have reopened our doors to the resource centre. Many hours of work has gone on behind the scenes to improve the learning space and the functionality of procedures. Students have been super excited to see the many new resources we have on offer. Don't forget to return your User Agreement and bring a bag so you can borrow! Classes will have a weekly borrowing session and are welcome to access the space between 8.30am and 8.45am for further borrowing. At this stage, the space is unfortunately not open to families due to COVID restrictions. We hope you will interact with your children at home by talking to them about their borrowing session, the books they have chosen and the stories/ facts they are reading. We know that reading is rocket science.

L. Moats - "let's blast off our skills!"

Meet our kind, friendly Resource Centre staff: Ms Karen, Ms Jenny & Ms Ray.

## Science Week

Y7 and Y3 enjoyed Space Week at Hamilton Secondary College, completing a scientific experiment where they had to design a spacecraft that would create a soft landing for an egg.

## School Photos

School Photo Day has been scheduled for Thursday 22nd October. All students must be in school uniform. Please ensure your child has suitable navy uniform. They will also need a school hat for Term 4. **If your child has lost their uniform, please remember to check 'lost property' in the front office.**

## Disabled Parking

A number of people have been parking in our Disabled Carpark without a disability pass. Please ensure this space is left clear for someone who needs it! Thank you in advance.

## Artwork - Y5 & Y3

Thank you to classes Y5 & Y3 for their beautiful silver birch tree and colourful bird Art Display currently shown in the front office!

## Writing - R1

Last term our focus for writing was on information reports. Information reports give readers facts. We read a lot of non-fiction books about animals.

We worked in groups to investigate an animal. We researched the platypus, penguin, shark, crocodile and koala. We all had jobs to do. Some of us had to research the habitat of the animal, where the animal lives. Diet, what the animal eats. Appearance, what the animal looks like and some interesting facts about the animal. We even added in a labelled diagram.

We spent the whole day publishing our work in our teams. We think our end products have a lot of interesting facts for the reader and that they look awesome.

## SSO Week

Thank you so all our wonderful SSO's who work with many of our students around the school. They are always selfless, kind and considerate, and give tremendous support to our teachers and students on a daily basis! Thank you to all SSO's and BSSO's!

## Sports Day

Sports Day is scheduled for Friday, 25th September! This is the last day of Term 3 and will finish at 2pm. Please remember to pick up your children at this time. Look out for more information which will be sent home over the next few weeks.

## R U OK?

This year our school will celebrate "R U OK? Day" on **Thursday 10 September**.

As the signature colour is yellow, we encourage students and staff to wear an item of yellow (for example; t-shirt, socks, ribbon, wristband or sunglasses) on the day.

Social work students will run activities with each class throughout the day focused on friendship and the importance of looking out for each other. The four steps to ask R U OK? will be introduced: Ask, Listen, Encourage action and Check-in. There will also be dancing flash mobs at the gym!

We look forward to celebrating this important day.
