TERM 4
19 October 2018

Performing Arts - Term 4

During term 4 all classes will become familiar with songs that will be performed at the end of year celebration on Wednesday 5th December. We will use different methods to teach them, across all year levels including singing, dancing and playing instruments. We will also focus on oral language and presenting.

New School Signs (being installed)

Term 4 Week 1

Principals Report

Welcome back to Term 4! It will be a busy term with students preparing for the end of year. We are going to 'Celebrate 2018' by having an Art show case with a picnic on the oval. Please keep an eye out for further information. Year 7's will also be graduating with plans underway to make their night something special.

Improvements

We continue to make improvements around the school. New carpets were laid in the holidays in OSHC and the Drama area. This completes the refurbishment of the Blue Unit. We will continue to update other areas as funding is available.

New School Signs

You may have noticed that some of our new school signs have gone up on the gate and Blue Unit, showing our new and all inclusive logo. They look fresh and modern and gives the school a bit of an updated look. (see back page)

Pupil Free Day

This term's Pupil Free Day will be **Friday 30th November**. All staff will be attending a workshop to reflect on this year and prepare for next year with an emphasis on the department's new School Improvement plan, which all schools need to do by the end of this year.

Governing Council

A reminder that the Governing Council meeting will be held on Tuesday 30th October at 6.45pm. Can all council members please attend.

School Uniform

Our new school uniform will be ready for parents to purchase soon. We will announce when they have arrived and provide more information about what is available.

There will be a phase in year in 2019 with an expectation that in 2020 we will have transitioned completely to the new uniform.

Hats

Please remember: your child must wear a hat at school when outside in Term 4. New hats can be purchased through the uniform shop or at the front office for \$8.00.

Festival of Music

On Tuesday September 25th we performed at the Festival of Music.

We came to school at 8am and caught the train to the city to go to the Festival Theatre. At the Festival Theatre we practiced the songs we would be performing at the concert. When we finished the rehearsal we ate lunch at the River Torrens before we came back to school at 2pm.

We arrived back at the Festival Theatre with our families at 6.20pm to get ready. Then they sorted us into our lines for the concert. Some of us were nervous to perform in front of a big audience, but some of us weren't because many other children performed with us.

It was sometimes uncomfortable, but it was a good experience to perform and to learn the songs every Thursday.

G2 & G3 excursion to Hallett Cove Conservation Park

Students of G2 & G3 visited Hallett Cove Conservation Park in September.

They observed and recorded the geological formations present at this site and discussed its unique landscape.

SPORTS DAY FRIDAY 26TH OCTOBER!

Sports Day is fast approaching and we look forward to a fun and action packed day! We are looking forward to parents, carers, grandparents, family and community members joining us.

The fundraising committee will be offering items for sale at their baking stall and tea and coffee will be available also. Any donations for the baking stall will be greatly appreciated!

Students are encouraged to dress in house colours: **MARION**, **STURT**, **FLINDERS** and **MITCHELL**.

Remember, your child will need to have a hat, drink bottle and sun smart clothes!

Technology - Term 4

This term in Technology, we will be reviewing a number of skills that we have learnt through the year. Students will also be developing skills by creating new projects using a number of different materials and techniques.

Science - Term 4

The **Junior Primary** years will be consolidating their understandings of how everyday objects can be changed and how materials can be combined to create a product that serves a specific purpose. Students will also continue to develop their experimental skills by conducting guided investigations. One investigation that the students will explore is **paper marbling**.

The **Middle Primary** years will be continuing their exploration of the states of matter, building upon their learning in term 3. Students will be constructing a series of experiments to prolong the state of water changing from solid to liquid. Natural and processed materials will also resurface where the students will conduct experiments to test particular properties of each material.

The **Upper Primary** years are continuing their knowledge of chemical and physical reactions. Students will explore whether certain reactions can be reversible or irreversible. Students will use their experimentation skills to explore substances to identify pure-substances within mixtures.

W&L Mobile Healthcare Services

W&L Mobile Healthcare Services will be visiting our school in week 4 & 6 and is offering a bulk billed dental service for eligible children under the CDBS. To be eligible for fee dental treatment you or your child needs to be receiving one of the following:

- Family Tax Benefit Part A
- Parenting Payment
- Double Orphan Pension
- Carer Payment
- Disability Support Pension
- Special Benefit
- Youth Allowance
- Abstudy

Notices have been sent home this week. If your child qualifies for any of the benefits above and you would like them to be seen by this service, please complete the documentation and return to the front office as soon as possible.

TB Screening—IELC students

TB Screening will done at the school on Tuesday 30th October and Friday 2nd November.
