Dear Families,

We have recently welcomed Matt Brumby and Rod Sutherland to our Leadership Team for the remainder of this year whilst we advertise Leadership positions for 2020.

I asked Matt about his first impressions of our school and have included his response below:

"There's a saying that I love and that's 'You don't get a second chance to make a first impression'. I'll add to this by saying that the Clovelly Park community has truly left a lasting first impression. In my short time working within the school, I have been welcomed into classrooms by staff and students with enthusiasm and warmth, engaged in many conversations with parents as well as sharing many handshakes and smiles.

In this particularly busy time of year I've been lucky enough to see the development of the new mural, a bustle of activity in the Performing Arts space in preparation for Wednesday's Community event, some hands on Science lessons, as well as embrace the Multicultural ethos that the school is so rich in.

The take away message here is that to see all of these great things at Clovelly Park, you really don't need to look very far. In some cases, it's right in front of your eyes. My request of others is that we all take the time to open our eyes and embrace the great things that are happening within the community. My advice is to start by looking at the mural and tell me what you think.

Yours in wellbeing and learning,

Matt Brumby

Year 7 to High School

YEAR 7 TO HIGH SCHOOL

Parent Update Week 3, Term 4 - 2019

Your child's wellbeing is important

Your child's wellbeing is just as important in high school as it is in primary school.

We know from our high schools that already have year 7s and from interstate learnings that year 7s look forward to the excitement, challenges and broader opportunities that high school brings. Watch the [video](#) on our website to see how year 7s are thriving at Clare High School.

Support will be available

Schools will help year 7s adjust to new routines and different academic demands for starting high school in 2022. They will be given evidence about what works to support early adolescents to feel safe and confident. The supports will vary across schools, so it's best to check with your new high school about how transition will work.

Schools also have frameworks in place to manage interactions between students of different ages.

These already operate in our B-12, R-12, area and primary schools to manage younger children interacting with older students.

It's a big year for our year 8s

In 2022, year 7 and 8 students will begin high school in the same year for the first time. We are very mindful of having a smooth transition for all new high school students. Our year 7s and year 8s will receive appropriate support when starting high school for the first time in 2022.

Primary schools will be thinking about graduation and transition practices, and high schools will be planning open days and transition activities ahead of the move.

Where to find out more

Come along and join us for a shared multicultural dinner or bring a picnic for your family. View our whole school student Art show, enjoy some musical entertainment and join the CPPS choir Carol singing.

ATTENDANCE TARGET 95%

Our average attendance for the year is 89%.

Term 4 Week 5 was 90%.

Yr 6&7 Aquatics

Last week 45 senior students went on their annual aquatics and camp excursion. This year was a little different though, because instead of going to a caravan park as originally planned, we camped in the school gym. The intrepid students and teachers travelled to the much loved Port Noarlunga where the surf is loud and proud. The activities ranged from fishing, bodyboarding, snorkelling, surfing, kayaking and stand up paddle boarding. Although the most popular activities were bodyboarding and kayaking everybody had fun doing all of the activities. Next the

students came back to school to drop off their stuff. Then they took some sports equipment to the Mitchell Park Reserve. Everyone had a delicious dinner provided by The Golden Wishbone on Marion Road all catered by the greatest delivery driver of all time, Ms Peterson. The pupils stayed there for a while before they returned to school for a game of Spotlight, a night time game.

Later they watched the Netflix Original 'Tall Girl' on the projector in the gym. In the morning they had a hearty breakfast of cereal and oats. Then made their move to the bus waiting for them. Everyone went back to Port Noarlunga where they had their last activity. The students had a lot of fun on this excursion and they hope to do it again.

Canteen news

Governing Council made a decision at the last meeting to close the Canteen on **Tuesdays for the remainder of the term starting from Tuesday 12 November**. This is in addition to the Monday closure.

Due to the number of excursions and class parties in week 9, the canteen will be closed for the last week of term.

The last day the canteen will be available this term will be on **Friday 6 December**.

Pupil Free Days

Governing Council have endorsed our remaining Pupil Free Days for this year, these will be **Monday 2nd December and Monday 9th December**.

OSHC will be available, bookings are required. Please contact Jo 0418 585 412

New Mural

Last week, Scott Rathman, an Aboriginal artist, painted a new mural for us near Celtic Ave. He incorporated many ideas from our students using symbols which represent various important things to us, such as friendship, coming together, collaboration, connecting and kindness.

Congratulations!

Ollie (G2) won third place in a wake-boarding under 14's SA v Vic competition State of Origin. He is currently eight years old! Congratulations to Ollie!

National Health & PE Week

As a part of National Health and PE week we had daily themes and complimenting activities for each day. Our year 6/7s ran some in class activities to promote such an important week. In this photo two of our students did an amazing job of reading "The Magic Lunchbox" and asking students questions about healthy food choices for Fruit Friday. Thankyou to all involved with supporting the week.

Vacation Care

Activities have been organised for Vacation Care starting at the end of term 4, from 16th December to 24th January. Please remember to book in early!

Activities include Wheelchair Sports, Card Making, Bookmaking, Bear Making, Waterslides, Jewellery, tie dyeing, paper craft and Pedal Karts!

Netball Uniforms

Our netballers were very excited to receive their new uniforms for 2020. If your child is in year 3-7 and is interested in playing netball please keep an eye out for registration forms in term 1 2020.
