## Uniforms in 2020

All students are required to wear school uniform at school, when representing the school and attending public events performances and excursions. The school colour is navy blue for hats, tops and bottoms. We will be adding a touch of red to a polo top and will let you know when these are available.

Safe, sensible footwear must also be worn.

Benefits for wearing a school uniform include:

- ◆ Assisting staff to ensure the safety of students within the school
- ◆ Promoting pride in our school
- ◆ Promoting equality
- ◆ Ensuring students are easily identifiable on excursions

A **school hat** must be worn outside in Terms 1 and 4.

The Uniform Shop is located next to the canteen and is open from 9.00am-9.30am Tuesdays to Fridays for purchases.

Additionally, the shop will be open from 9am-12pm on **Thurs 23<sup>rd</sup> and Fri 24<sup>th</sup> January 2020.**

## LEGO Club

Autism SA presents LEGO Club and LEGO Club Junior, a structured programme where participants work as a team following step-by-step visual instructions to complete a LEGO creation, supporting crucial skills including speech, language, communication, social interaction, teamwork, sharing and fine motor skills.

LEGO Club Junior is specifically adapted to meet the needs of children aged 4-6 years.

LEGO Club is structured for 7-13 year old children, and incorporates a range of skill developments and problem solving, fine motor, categorising, decision making and emotional regulation, whilst having fun!

Dear Families,

Thankyou for joining us for our Community Event last week. It was wonderful to have the opportunity for us to come together, share food and enjoy the musical talents of our students. I am sure you will join me in thanking the staff and students who performed, the Marion City Brass Band and the parents and staff that coordinated and organised the event. We particularly thank Debbie Johnson, Deb Parsons and Keryn Day as well as our volunteers- Tenille, Rob, Michelle and Maylee for supporting the performances, organising the event and staging. We also acknowledge Deb Parsons for her work in supporting the Art works and displays and to every staff member and student who contributed to the artworks and the overall success of the event. This event was an exceptional display of how our community comes together.

Recently we asked families to provide information to inform the creation of classes for 2020. We thank you for your input and look forward to sending the class placement information and end of year Reports home on Friday 13 December.

At a recent meeting of the Governing Council, a decision was made in relation to the financial viability of our canteen. A number of strategies have been put in place over the last few years in an attempt to ensure the canteen was able to continue to offer a service to our students and their families. Unfortunately we have now made the decision to close the Canteen at the end of this school year as it is not covering its costs. We will continue to explore how we may offer a food service to students in the future.

I am sure you will join the Governing Council Members, staff and students to thank Jo for the many hours of work as both a volunteer and more recently as an employee of the Governing Council in the Canteen Manager role.

Jo will continue to be part of our community as the Director of OSHC.

At the end of the school year there are regularly changes in staffing. This year there will be some staff changeover and potential changes in roles and responsibilities. The positions of Deputy Principal, Student Wellbeing Leader and a Curriculum Leadership position have recently been advertised. Once the outcomes are known we will announce the successful applicants. 2020 will also see the return of two staff members. Jess Smith and Kim Sabien will both return to work part time. We look forward to welcoming them in the new year.

As we are still waiting on some staffing information from the Department, I will send out an update before the last day of term.

The last week of the school year is traditionally both busy and exciting. Classes will have end of year excursions and class parties and we will celebrate the completion of Primary School with our Year 7 students at Graduation on Tuesday 10 December.

As there is one week of the term to go I will take this opportunity to wish you a safe and joyous holiday season.

Regards,

Terena Pope

Principal, Clovelly Park Primary School

## Celebrate 2019

The weather was perfect for our [Celebrate 2019](#), allowing many families to enjoy our school's end of year performance. We started the night with a multicultural dinner, tasting many wonderful dishes brought in by various families whilst viewing the Student Art Show in the gym. We then progressed outside to enjoy the concert in full, with singing and musical performances from each class.

We displayed the students artwork on the walls of the gym, and raised \$138.90 for the school through the sale!

Thanks to Debbie for organising and conducting all the performances, and also to other members of our staff who worked to make this night so special! Well done!

## Last Assembly for 2019

Our last assembly for 2019 will be held on Friday, 13th December in the gym. We hope to see many parents and our much valued volunteers there to wrap up the 2019 year!

## Art

Many of the students made an assortment of decorative hub caps with Ms Parsons this term. These will soon be displayed around the butterfly garden for all to see.

## Year 7 Graduation

Our Year 7 Graduation will be held on Tuesday night, 10th December, starting with presentations at 5.30pm in the gym. Parents are welcome to stay for the presentation.

Students will then go to Charlie's Diner for an 'all-you-can-eat' dinner at 7pm.

## Goodbye Fulvia

On Thursday evening as a staff we acknowledged Fulvia's efforts and achievement over a very rewarding career.

Fulvia has been with the Clovelly Park Community since 2003.

We wish Fulvia all the very best in your next adventure of retirement and thank her for the great impact that she has had within Clovelly Park Primary School.
